Finding Quality Mentorship

How do early career veterinarians find a mentorship program that is right for them?

Finding Quality Mentorship

Competitive market forces have resulted in nearly all job announcements promoting their “mentorship program.” However, few are structured to successfully deliver a productive and rewarding experience.

Finding Quality Mentorship

Don't waste your time in an unrewarding,
uninstructive and/or unfulfilling
environment.

Finding Quality Mentorship

Proverbs 22:6

Train up a child in the way he should go
And when he is old, he will not depart from it.

Finding Quality Mentorship

What are the costs of joining a practice without a good mentorship program?

- Longer learning curve
- Poorly developed plan to accomplish your goals
- Higher probability that you will experience early-career burnout
